WHO WE ARE

ABOUT US

EKhuphileni Mamgement Solutions (Pty) Ltd is an Accounting firm established practice registered in 2020. Our company full of confidence in the fact that we strive to provide a service that adheres to the highest professional quality.

We are Partners of Ekurhuleni Wealth Management Solutions Cooperative Ltd

We multi – disciplinary firm offering a variety of related services to our clients, within disciplines such as financial services, secretarial, investment, non-profit organisation, property investment and more. We can service our clients in locations throughout South Africa.

OUR AIM

Our aim is to service clients in all sectors of the economy from individuals to listed companies. This includes:

- Individuals, whether self-employed or working for salary or managing a business across a wide range of industries and trades.
- The typical owner -managed or family-owned business.
- The type of business where shareholders are normally not involved in the day to day running of the business themselves but employ management to do so.

We are focusing in building a sound relationship with our clients and understanding their requirements. Our success in meeting their exacting needs make us an integral part of their business as their outsourced financial department and not necessarily an overhead. We understand our clients' need for personal services. We have structured our practice to give our clients the attention they deserve. Our team is backed with the professional qualifications and resources to provide a top-quality professional service. Our strategic intent of providing financial and training leadership by means of professional excellence is the ideal by which we measure our service. In every aspect of our business, from the services we offer to the recruitment of our staff, we continue to create an entity best able to deliver on this vision.
